## President's Message, Quarter 1, 2023

By Patrick & Linda von Merveldt, Co-Presidents

Greetings Fellow Members!

We hope everyone enjoyed their Holidays, and are greeting the New Year of 2023 in good health and good spirits. Many of us will have made New Year's resolutions, undaunted by the frequently short shelf-life of prior resolutions but continuing to be optimistic that at least some of them might "stick". Our resolution is to continue the efforts of our predecessor Gerald Garner in helping the Sacramento Jaguar Club, and do so successfully! In appreciation of Jerry's efforts while in his leadership role as president we presented to him a comprehensive volume summarizing the development of Jaguar cars.

Twenty-three of us enjoyed our annual Club Christmas Party, held at the Burke Family Restaurant in Lone on December 11. We were fortunate with that date, on several counts; December 11 gave us a break in the clouds, and members were able to enjoy the beautiful drive to lone under balmy skies with the sun shining through intermittent rain showers. Our choice of venue was a good one, giving the membership good food, at reasonable prices, in a venue with historic, gold-rush era ambience. How fortunate that the name of this charming little town was changed to "lone" from the original moniker of "Bedbug". There are many interesting facts about lone, including the fact that Jerry organized one of the club's more interesting activities a few years ago; a

tour of the "Preston Castle", whose tower looms over the town and which now offers informative tours, as well as a terrific site for the town's Halloween "Haunted House".

But we digress!

At our Christmas Party, we enjoyed NOT having a gift raffle, with the assurance of our treasurer Steve Veirs, that the Club finances are not on life-support, needing an annual infusion of funds generated via the raffle proceeds. Replacing the raffle was a humorous collection of tales recounted by members about the fortunes and misfortunes of their Jaguars during 2022. There were several volunteers willing (even eager!) to share the misfortunes of their cars (and themselves) with the membership. The prize, by popular vote, went to Jerry himself, who suffered, along with his wife Linda, a dismaying breakdown of his Jaguar during the President's Drive to Geyserville on a blisteringly hot day in late August. The miserable events of the breakdown, not to mention the costs of repairs, lead the members to agree that there should be recognition awarded to the couple. Jerry's consolation prize, awarded by Linda, was a "gift" from a prior raffle, left over from our very last raffle and somehow retrieved from storage.

We concluded the party by swearing in of the slated 2023 Officers.

# International Jaguar Festival, 2022

This past October, I found a few good reasons to fly down to Dallas. During the visit we scheduled time to attend the concours at the Love Airport Museum and also the JCNA sanctioned slalom event the following day.

# CalClubs Reunion 2022, Nov. 3-6, Morro Bay, CA

Linda Panattoni & Jerry Garner

**Representation:** San Diego Jaguar, Jaguar Owners of LA, Jaguar Associate Group, Sacramento Jaguar Club, Inland Empire Jaguar Club. Approximately sixty people attended the three day event.

**Friday:** We participated in a Rally Tour to the Hemmingway Vineyard in Paso Robles. Once at the vineyard, we enjoyed a day of viewing the participating cars, food, wine, and live music.

On display were F-Types, several XKEs, a number of XFs, two Austin Healeys, a MG TF, and a Jaguar XK 120 and 150.

**Saturday:** We departed for La Serna on a leisurely convoy up the coast with an optional stop at Elephant Seal Beach and a scheduled stop at Harmony, a long-established community. We had lunch at Ragged Point Inn Restaurant. The food and view were fabulous and worth the drive. That evening all the attendees met for a Farewell Dinner at the Great American Fish House on the waterside in Morro Bay.

## Membership Updates

by Mary Snyder, Membership Chair

### Welcome 2023!

I am excited to accept the Sacramento Jaguar Club Membership Chair role for the 2023 calendar year. I have been a club member for many years and will be looking forward to exploring some interesting membership recruiting ideas.

Each Newsletter, I plan to feature new club members. Over the years, I heard so many interesting member stories of how people became Jaguar owners and Jaguar trips they have done.
