President's Message

President's Message, Quarter 4, 2023

Greetings Fellow Jaguar Club Members! Our Club welcomed several new members since our last newsletter; Marv and Carol Worra who joined in July, Gina Swankie, Eric Christensen, Shaun Greenwood and John Moore who joined in August. The Worras joined us on the "President's Drive" in August, and Gina Swankie joined us for our September event featuring a visit to the Leland Stanford Mansion in downtown Sacramento followed by a drive down the Garden Highway for a leisurely lunch on the Sacramento River. We look forward to meeting all our new members at future events.

Putting together the "President's Drive" in August was a challenge requiring several "shake down" trips to map out the route from Rancho Murieta (or Martell) to the Indian Grinding Rocks State Park outside the town of Volcano, followed by lunch at the Smith Station Restaurant on Highway 88, and terminating at Cooper Vineyards outside of Plymouth. The drive was well attended and a success overall despite the fact there were a couple of glitches keeping to the routes we'd staked out. In retrospect; the title we gave our drive; "The Roads Less Traveled in Amador County" summed up the challenges of staking out routes in rural areas!

We are in the final quarter of the year, in the process of completing the details of the flyer on our annual Christmas Party that will be sent out to all our members by email. Steve Meisen and his wife Liz booked the restaurant, "Bennetts" for our party, which will be held December 10th.

Along with the raffle fund-raiser, we are continuing to identify work-arounds to reduce expenses that the club had assumed in years where our funds were more plentiful. Member polling firmly supports the ongoing commitment to our primary expense, which is our Website operation and maintenance. The website has been critical in recruiting new members among residents in the Sacramento and broader regions to our South and West, as well as facilitating the payment of new memberships and membership renewals through the online payment portal.

Continued, p. 1

Finally, Stephen Veirs, who served as treasurer since 2014, informed us that he would like to see someone else take on responsibilities as Treasurer. Patrick has assumed Steve's duties on a temporary basis while we search for a member who is willing to take on the duties of this office. The scope of the treasurer's duties should have been lessened to a considerable extent in recent years by the increasing use of on-line transactions for initial memberships and renewals.
